

Wolf River Lutheran High School

Christ-centered Education for the Greater Shawano Area

July 2016

Greetings!

On Saturday, October 15 2016, Wolf River Lutheran High School (WRLHS), Cecil, Wisconsin, will be hosting its seventh annual **“Wolf River Family Fair and Auction”** -- a large fundraiser in support of the school. WRLHS cannot fulfill its mission without community support and without your organization’s support.

Can we count on you to donate auction item or business sponsorships for the event?

Sponsorships include free advertising and free meal tickets. Our goal is to raise \$40,000 to help support the school. As a parochial school, we do not receive any government funding but solely rely on student tuition, contributions and fund drives. We have many faithful supporters and committed partners, but as we all know, quality education is expensive. This is why your support is so greatly needed.

At WRLHS, we believe Christ-centered education matters, and that Christian character, leadership, and a Christian worldview can impact the future of our local communities and our world. At WRLHS, parents don’t have to wonder what values are being used to address contemporary and controversial issues, but can be confident that the school will help students stay true to the beliefs, values, and teachings found in the Bible. As we focus on maintaining quality curriculum and developing positive interpersonal relationships, WRLHS provides an education that matters – education that lasts for a lifetime and beyond.
